

The Young Family, Missionaries to the People of Honduras

"Come over... and help us."
Acts 16:9

Dear Churches and Friends,

January 2019

One month is already in the books for 2019 and God is already blessing us tremendously this year. We are still in the early portion of deputation and working towards preparing for the road ahead He has made for us. This month we were able to schedule many more meetings and the response was much better than we anticipated. We have several months this year booked solid with no practical openings left. We have a couple openings in April and in August we are looking to fill. Please pray for our children as they adjust to life on the road. They are holding up well, but this will be a major change to their normal routine. We are planning to attend our first full Five-Day Mission Conference in Mesquite in less than a week, which will begin an almost non-stop schedule into June. Our goals are to be an encouragement to the various churches we visit and to spark a renewed burden and vision for God's plan of Missions, while magnifying Christ in everything we do. We are thankful for the churches supporting us already in this endeavor and we are excited to get one step closer to doing our part in His plan for the People of Honduras.

Prayer List:

- Traveling mercies as we visit churches
- Our children adjusting to life on the road
- Raising further prayer and financial support

In Christ,

Jimmie (J.D.) Young
