Greetings from Honduras,

We thank you for your continued support and prayers for our family as we minister for the Lord. 2022 has been a successful and productive year. God continues to bless our ministry and family greatly. We are looking forward to 2023, anticipating great things from our Great God.

We came to work with two missionary families here in Siguatepeque, Honduras back in September of 2020 for two years. We completed that two years and have continued serving here until we received confirmation on where God would lead us. After much prayer, we are excited about confirmation and the leading of God on future ministry. Please stay tuned as we finalize these plans. We will announce the next steps for our ministry very soon.

We will be on furlough in March and April of 2023. If your church would like for us to come in, to report and discuss the next steps of our ministry, please let us know. We would love to visit and fellowship. We ask for your continued prayers and support and we take this next step, as we follow Christ and His will.
