Greetings from Spain,

We hope everyone is doing well. Things are exciting here in Spain. After we served two and a half years in Honduras, we cannot express how much we learned and how God prepared us there. After a short two-month furlough, we now been in Spain for six months. We managed the complexities of moving to a new country, renting a home, buying a car, and renting a place to start a new mission work for the glory of God.

We have spent the last several months remodeling the storefront. We distributed gospel tracts to people all over the city of Cartagena. We met many interesting people from Honduras, Peru, Uruguay, Columbia, and Ecuador, as well as Spaniards who are excited about a new work in Cartagena.

We are excited to share that we are ready for our first regular service on Sunday, November 5th. I surrendered to preach 13 years ago, trusting God to us. Six years later, I graduated from seminary. Eventually God would lead us here for a time like this where we can share the Gospel with a people eager to hear His word. Pray with us as we begin this endeavor to see a new church planted and thrive here in the City of Cartagena, Spain.

**In Christ,  
The Young Family**
