Greetings from Spain,

Throughout February, the new mission work focused on worldwide missions. A church planter from the north of Spain preached in person. We also heard virtually from three other missionaries to Norway, Israel, and Ecuador. The new work is now directly supporting four missionaries and a seminary. Three of the missionaries are native Spanish speakers from South America. It has been exciting to see the people see that they can be a part of worldwide evangelism from their corner of the world.

Our pastor and his family visited us here in February, which was a blessing. They saw with their own eyes the vision we have here in Cartagena and throughout the Region of Murcia. We are excited for another family from our church that prayerfully will partner with us here in the fall of this year. We desire to see a second mission work started in this area sometime in 2025. Please be in prayer about that.

Throughout March, we will be building up to our first Resurrection Sunday service. We have already had a positive response throughout the community to our promotion of our Resurrection Sunday service. As with other Catholic countries, especially in Latin America, there will be a weeklong holiday throughout what we call Passion Week. Unfortunately, many of the celebrations here are not biblically based. We hope to teach the people the truth from the scriptures about the significance of the Life, Death, Burial, and Resurrection of Jesus Christ for Christians.

Thank you for your prayers and your continued support of the ministry here in Spain.

**In Christ,
The Young Family**
